15 Free AI Tools

Most agencies don't know these exist

SWIPE →

You don't need a $2K/mo stack.

You need to know where to look.
Here are 15 tools I actually use — all free.

FREE

01

PERPLEXITY

Research assistant with real citations.
Replaces Google for 80% of queries.

FREE

02

NOTEBOOKLM

Upload 50 PDFs → ask questions.
Best research tool Google ever built.

FREE

03

CLAUDE FREE TIER

Still the best writing model.
25 messages/day = enough for most agencies.

FREEMIUM

04

GAMMA

AI-generated pitch decks in 60 seconds.
Replaces a designer for first drafts.

FREEMIUM

05

IDEOGRAM

AI images WITH readable text.
Finally works for posters + ads.

Transkriptor · Descript · Krisp · Phind
Cursor · Bolt.new · v0.dev · Lovable
Replicate · Fal.ai

$0

Total monthly cost of this stack
(if you're disciplined about free tiers)

RECAP

THE PRINCIPLE

- Free tier > paid tool you don't use
- Stack 3 free tools = 1 paid tool
- Pay for 1 tool max until it's paying for itself
- The 'pro plan' is a dopamine trap
