SWIPE →

> WHY

Picking ONE model is the mistake.

Each model has a super-power.
Smart founders route tasks between them.

WINNER

01

WRITING → CLAUDE

Human tone. Follows nuance.
Nobody writes better long-form right now.

WINNER

02

RESEARCH → GEMINI

Real-time web + 1M context.
Best for market research + deep dives.

WINNER

03

BRAINSTORM → CHATGPT

Creative divergence is still its edge.
Also: ChatGPT Voice > everything.

WINNER

04

CODE → CLAUDE

Claude Code is currently #1 for agentic dev. GPT is catching up. Gemini is 3rd.

WINNER

05

VISION → GEMINI

Multimodal reasoning on images/video.
Gemini 2.5 Flash is unreal + cheap.

WINNER

06

AGENTS → CLAUDE

Tool use + memory + planning.
Claude 4.6 is the agent backbone.
